

32. A method as in [any one of claims 1-12] claim 1 wherein  
said mammal is a human female weighing at least about 40 kg and has a GFR which is  
chronically less than about 40 ml/min.

#### REMARKS

The foregoing amendments are made to reduce the filing fees to the statutory minimum. All of the amendments are made without prejudice to further prosecution in this or a related application. No new matter is introduced by any of the amendments made herein.

It is respectfully requested that the application be promptly advanced to examination.

Respectfully submitted,
